Minutes of the Meeting

15 May 2013

Our meeting began at 1900, at the Woodland Park Library. Mike Stansberry (K0TER) in charge, started with introductions all around.

No Secretary report. The Treasurer's report indicated that we are sound.

Carol Wilson (KC0DTQ) suggested a training session, to be a Saturday morning antenna workshop and radio programming.

Kit Haskins (KA0WUC) offered doing radio specifications and testing.

There was also some general discussion on doing an introduction and training on Mickey. This would be a good plan prior to field day.

Upcoming events include the Pikes Peak Hill Climb, a regional Bicycle Race and Field Day.

We adjourned the meeting at 1920.
