

Mountain Amateur Radio Club
Minutes of the Meeting
20 August 2014

Our meeting began at 1912 with Mike Stansberry in charge. Following intros all around, the minutes from the previous meeting were read aloud. A motion to accept was made and passed. The Treasurer's report was read. The only pay out was the phone bill. We need to pay Mike Stansberry for the Field Day Porta Potty and food.

Under Old Business – On the NX0G website, we have been unable to get a hold of Tom, the webmaster.

Kit Haskins reported that Dean Buckhouse was up on Tenderfoot and installed the replacement radio. Kit will pickup the retrofit kits from Kenwood this week. Kit then gave some background on the history of our repeaters.

The Teller County EOC still needs the new radios installed.

Campfest will be 29 Aug to 31 Aug at Dean Buckhouse's in Lake George. The Colorado QSO party is also the 30th. Mike Stansberry made 130 contacts during last years QSO party.

Under New Business – we had a general gab session on our first contact contacts in Amateur Radio.

Our September meeting will be open nominations for the upcoming elections.

Our meeting adjourned at 2018

Nine members present.
