Under Old Business – the equipment inventory is in progress.

Under New Business – a suggestion was made to speak with Century Link about putting the phone line at Tranquil Acres on hold. Bill Wallick will call them.

We discussed program suggestions. Mike Stansberry knew of a fellow who could give a program on Satellite communication and Radio Astronomy. We also suggested various digital modes, meteor scatter, moon bounce and the National Traffic System. There was a suggestion to ask for suggestions on the NX0G reflector.
