

Mountain Amateur Radio Club
Minutes of the Meeting
17 August 2016

Our meeting began at 1905, with Mike Stansberry presiding. Following introductions all around the room, the minutes of the previous meeting were read. A motion to accept the minutes was seconded and passed.

Laird Johnson next gave the Treasurer's Report. Bill Wallick also reported that the Form 990 was filed with the IRS.

Under Old Business – our Campfest will be Saturday and Sunday, August 27 / 28.

Dan Huber talked to Sharon on the Postal Net. She wants to try to make a club meeting to talk about our old repeater. She also hopes to meet with Dean Buckhouse at the next VE session.

A mouse was donated for the laptop.

Under New Business - The porta potty has been ordered for Field Day and the Campfest (\$100). Dean Buckhouse needs money for that and the food for Field Day (\$30). A motion was made to reimburse Dean \$130 dollars for both. Seconded and passed.

Dan Huber used the Go Kit at the Cycle Hill Climb. Communication was done with Packet. Worked well.

Dan also inquired if there was any interest in a WinLink Gateway in the Woodland Park area.

It was discussed that Kit Haskins still has some of the MARC equipment. Dan indicated that he has seen Kit at the Millennial Electric shop.

Dan Huber had a question about the old Drake that was donated to the club. Dan would like to take it home and try it out. A motion was made to have Dan test this radio at his home. Seconded and Passed.
