Under New Business – Mark Gershevski has interest in putting up a Dstar or Fusion Repeater. He will check into this. Dan Huber has interest in setting up a mesh network, and will research as well.

There has been no maintenance on our existing repeaters since Kit Haskins left the area.

Under Club Elections – since all positions are defined, with no opposition, a motion to elect the group by aggregation was made by Dean Buckhouse. Seconded by Dan Huber and passed.
