

Mountain Amateur Radio Club
Minutes of the Meeting
18 January 2017

Our meeting began at 1911, with Dean Buckhouse presiding. Following introductions all around the room, the minutes of the previous meeting were read. A motion to accept the minutes was seconded and passed.

No Treasurer's Report.

Under Old Business, we received the D-Star repeater and have ordered the duplexers for it.

Under New Business. The Winter Field Day will be January 28th, starting at noon. The PPRAA Megafest is set for Jul 8th. A suggestion to get more member involvement was made; to have our meetings over dinner at a local restaurant.

The current owner of our club Yahoo Group (NX0G) is in California. Bill Wallick will contact him to get that transferred back home. Bill will also contact Centurylink about adding DSL to the repeater phone line at Tranquil Acres.

Kit Haskins offered his UHF pair of frequencies for our D-Star testing. Kit suggested putting the D-Star at Tranquil Acres for ease of access.

Our meeting adjourned at 1952.

A presentation on "Remote Hams" was given by Dan Huber.

Seven members present
