

Mountain Amateur Radio Club
Minutes of the Meeting
21 June 2017

Our meeting began at 1907, with Dean Buckhouse presiding. After intros all around, we read the minutes of the April meeting. With one correction, a motion was made to accept, seconded and passed.

The next meeting will be July 19th. There will be a VE session on July 1. Field Day will be in Lake George on June 23 to 25. The BBQ pot luck will be on Saturday at 6 pm.

There is a new script for the Tuesday Night Net, which was sent out via our Yahoo Group. Also the logs from recent TNN's. Bill Wallick is to pull that information from Yahoo and post it on our NX0G.org website.

Laird Johnson gave the Treasurer's report for April and May.

Under Old Business – Program Suggestions. We are still trying to get our “cans” tuned for the DStar repeater. Kit Haskins seems to be missing. Ed Bretag may be able to do it and Mike Stansberry may be able to do it. Bill Wallick needs to get some internet service for the Tranquil Acres site.

Field Day Plans – Mike Stansberry won't be able to make it. However there will still be a Morse Code station, along with Voice and PSK.

Our meeting adjourned at 2003.

Nine members, one guest present
