

Mountain Amateur Radio Club
Minutes of the Meeting
20 June 2018

The monthly meeting began at 1859 with Ed Bretag presiding. Following intros around the room, the minutes of the May meeting were read. A motion to accept the minutes was made, seconded and passed.

Laird Johnson gave the Treasurer's report.

Under Old Business – Ed Bretag was waiting on a OK for the Tenderfoot tower. He will order that now. We may need to pay from the club and then get reimbursed from the county.

We talked about Field Day plans at Dean Buckhouse's. Saturdays cookout will be burgers and brats. Please bring a side dish for the group. The contest will run from noon Saturday to noon Sunday.

The Pikes Peak Hill Climb is the same weekend as Field Day. The Mountain Top Cycle Club sent thanks for use of our repeater.

Our Tenderfoot repeater has been scratchy on the system lately. It was found that the link radio was on low power. It was switched to high.

Under New Business – Teller County made up a brochure on Emergency Communications. A copy was passed around.

We will begin the Club officer election process at the August meeting.

Our meeting adjourned at 1930

Nine members, three guests present.
