

# **Mountain Amateur Radio Club Minutes of the Meeting 19 June 2019**

The monthly meeting began at 1903 with Dean Buckhouse presiding. Introductions were given around the room. The minutes of the previous meeting were discussed, voted and passed.

The MARC Field Day will be this weekend at our Lake George Facility.

The next VE session will be July 6<sup>th</sup> at the WP Library.

The next meeting will be Jul 17<sup>th</sup> at the WP Library.

A short discussion on the J-Pole antenna.

Ed Bretag arrived at 1914, and took over the meeting.

The new tower for Tenderfoot is not up yet. The link radio at Tenderfoot was changed to a mobile radio.

Parks on the Air is coming up. Ed will talk to the folks at the Florissant Fossil Beds.

We had a good first meeting with the new Emergency Management Director for Teller County. Don Angell is very supportive of Amateur Radio. He would like to see a quarterly report on the club accomplishments.

Don talked about the renovation being done at the Divide Sherriff's office. They tried to move the shed that we had there, and it fell apart. For now they have moved all of the equipment into an Army box.

Our meeting adjourned at 2005.  
10 members, 3 guests present.

Submitted by Bill Wallick (KC0FNV), Secretary.
