

Mountain Amateur Radio Club

Minutes of the Meeting

18 March 2020

Our monthly meeting began at 1900, with Ed Bretag presiding. Due to the “stay at home” order, this meeting was held on our repeater system. Following a club officer checkin, the minutes of the previous meeting were read. A motion to accept them was made, seconded and passed.

No Treasurer’s report.

Next was our Repeater Report. Greg noted troubles hearing Badger. Andy said that Cripple Creek was low in modulation and Badger was scratchy coming from Woodland Park.

Ed indicated that Don Fraser was planning to give a presentation at the April meeting on the “trials on top of the peak”.

Mike McClain indicated concern about moving the 97 off of the peak.

Andy indicated that he had troubles accessing the club’s EchoLink. Bill reported that only the club officers were authorized at the time. Bill was working with Laird to get the full roster.

Greg accessed the EchoLink from his location. He was successful and sounded good, but ran into the timeout issue. It was noted that both he and Dean were using Android Cell Phones. Andy indicated that he intended to try it from various sources as a test.

Under New Business, we talked about Hamcon and Field Day.

Next we proceeded with a member check-in. N0ZPX Ed, KC0FNV Bill, K0MGL Greg, K0TER Mike, K0ALS Andy, K0VWA Karl, N0SGB Mike, K2MTM Tom, KB0VVA Dean.

Our meeting adjourned at 1936.

9 members present.

Submitted by Bill Wallick (KC0FNV), Secretary.
