

**Mountain Amateur Radio Club
Minutes of the Meeting
21 October 2020**

Our monthly meeting began at 1906, with Ed Bretag presiding. Due to the “stay at home” order, this meeting was held on Zoom. Everyone had the minutes of the previous meeting. A motion to accept them was made, seconded and passed.

Next, Laird gave us a Treasurer’s report. General Account 3059.99. VE Account 291.43

Laird had an unmarked envelope with \$50 cash, Deb’s check and Laird’s check, which he was going to mail to PPFMA for the repeater work.

That brought up some folks that were having troubles getting on the reflector, so we added some people and talked about the process.

Our Repeater Report – no changes

Under OLD Business – nothing

Under NEW Business – Don has a presentation for the November meeting. Dan is making plans for the Winter Field Day. He has reservations at Mueller. Plans for a heated tent this year. Last weekend in January.

We will plan on internet meetings for the time being.

Dan gave tonight’s presentation.

Our meeting adjourned at 2012.
