

# **Mountain Amateur Radio Club Minutes of the Meeting 17 March 2021**

Our monthly meeting began at 1906, with Ed Bretag presiding. Due to the “stay at home” order, this meeting was held on Zoom. Ed read the minutes from the previous meeting. A motion to accept the minutes was made, seconded and passed.

Ed then did intros all around the zoom.

Laird did the Treasurer’s report. General account 3039.48 VE account 291.43

Repeaters all good.

Last VE session had 25 attendees. Very nice.

Membership – Greg is working on a flyer. Dean suggested a complimentary membership to MARC for all successful Hams at a VE session. If the VE was in September or later, the membership would be for the remainder of this year plus the next year. If they were already members, it would be for a future year. This motion was seconded and passed.

Some discussion on moving the Pikes Peak 970 repeater.

We will plan on internet meetings for the time being.

Our meeting adjourned at 2025.
