Repeaters are all good.

Membership – Greg is working on a flyer. There was some more discussion on the Voucher for MARC Membership, being given at the VE sessions to New Hams.

Greg also indicated that the R2D3 group will be using the MARC repeater system on Mondays at 7pm.

Bill read a note from a lady in Denver, that had an antenna tower that she wanted removed.

The 970 repeater is back up, on the summit of Pikes Peak. They are now working on holes in the coverage and power out.

We need to check with the library on when they intend to open for meetings. In the mean time, we will plan on internet meetings.

VVA has received a “link request” with Park County radio group. Bill will get with Dean on the parameters.

Our meeting adjourned at 2010.
