

# **Mountain Amateur Radio Club Minutes of the Meeting 18 August 2021**

We began our meeting at 1905, with Ed Bretag presiding. Following intros all around the room, the minutes from the previous meeting were discussed. A motion to accept the minutes was made, seconded and passed.

Laird was absent, so no Treasurer's report.

Repeaters – There is a planned trip to Tenderfoot this Saturday at 0800. Ed can ferry anyone up from Cripple Creek, since parking is sparse up there.

Campfest – There will be some items there for sale. Saturday evening pot luck.

There will be a Park County exercise on Saturday, during Campfest. Just FYI.

There was some discussion on “de-linking” the repeater on Tenderfoot, for Ed's testing on Saturday.

Next we discussed nominations for club officers.

Dan Huber – nominated for president

Ed Bretag – nominated for vice president

Bill Wallick – nominated for secretary

Laird Johnson – nominated for treasurer

Asa Wilson – has indicated a desire to stay on as a member at large, Ed will contact.

We had a report on the efforts on the 970 repeater. And some reports on its coverage.

Dan Huber won the “coolest install” at the recent auto ham installs event.

We discussed the county money. Need an antenna at the hospital. All Star nodes for Tranquil and Tenderfoot. Antenna's at outlying Fire Departments.

Our meeting adjourned at 1954.
