Minutes of the Meeting

16 November 2022

We began our meeting at 1904, with Mike Parsons in charge. We began with introductions all around the room. No recent SK's, KØBNJ was a new member, new license upgrades, recent volunteer activity and certifications.

The Minutes of the previous meeting were discussed. NØZPX noted that the "next meeting" was not the Christmas party. With that correction, the minutes were accepted.

The Treasurer's report was given by Deb Henderson. Main account \$ 4572.58 VE account \$ 276.43 Deb will get with the bank as to a discrepancy on the beginning balance.

Last VE session was November 5th, at the Sheriff's office (library had voting). They did hand out vouchers to new Hams. Our go kits were demonstrated at the VE session. Showed good interest.

ARES Report, Inventory Committee Report, Programs Committee Report. We hope to have a Deep Space program coming up.

Christmas Party plans. 501-C-3 work. No changes.

Under New Business – a suggestion to change the pro-ration sequence of dues. We will keep the current. We will also continue with the one year dues voucher given to new Hams at the VE Sessions.

Next VE will be Jan 7, at the library.

Jay Teague was introduced as the new Teller County OEM. Jay introduced Jessica Flohrs. He wants a panel of 5 or so Hams to work with the OEM.
