**17 April 2024**

The meeting started at 1905 with Mike Parson's presiding. With intros around the room. No SK's, upgrades, etc.

Minutes were read and approved.

No Treasurer report.

VE coming up.

ARES – started noon weather net.

Inventory

Programs – PPRAA had a huge solder class. We will see if they can come up to WP.

Thoughts of a SDR Play class. PPRAA just had a Raspberry Pi presentation. Perhaps they can come up too.

Tech – COS repeater needs battery, but needs to move to new home as well. Possible in Palmer Park. The 220 repeater is on the air, but having some noise issues.

OLD Business – 501 still working on articles.

RLC controller swap with Kit's.

Working with Teller County on the Audit parameters.

NEW Business – Discussion on Special Events / Emergency portable repeater, from old PPFMA. A motion to accept this repeater was made, seconded and passed.

Switch to Zoom, motion to not exceed \$200. Passed.

Field Day June 22,23. Dean's.

The Mine has many 450 mhz HHT's to dispose of. We will take all.
