The last VE Session had 9 test. The next VE Session will be January 4th.

Christmas plans. Our dinner will be December 18th at 6 pm at Judge's in Woodland Park.

The Springs repeater is still in progress. The 220 repeater and Dstar node are working well. A new link controller is being worked on. Greg is working on AllStar and EchoLink.

Our 501-C-3. Decided to wait until Jan 1 to file, so that we can get a full five years of records.

Looking for some help.

- Volunteers to put DStar at Tenderfoot.
- Greg wants to pass on the TNN manager

A suggestion to document the 220 net to the ARRL
PPARES website is having problems.
Skywarn Recognition day is coming up.

Meeting adjourned at 2030
